

CONSOLIDATION STOCK SALE

Reflector	Cool Daylight	8w & 11w	Rp 29,000
<i>Philips</i>	Warm White	8w & 11w	Rp 33,000

Smart Energy has introduced the Philips Reflector range to Bali, Indonesia. Unlike other reflectors on the market, the frosted glass shield's your eyes from the sometimes annoying filament. The Bulb has the same dimensions and can directly replace your standard incandescent reflector bulb for focused lighting effects.

Garden Lights

PAR 38	Cool Daylight & Warm White 18w	Rp 90,000
<i>Philips</i>	Cool Daylight & Warm White 23w	Rp 95,000

Be Smart, Save a fortune on your garden lighting bill. Our 18watt and 23watt bulbs last three times longer and give the equivalent light as an 80watt and 120watt standard incandescent bulb respectively. That is an 80% saving in power alone.

Discounts on many other items. Come down and visit our show room, or visit our web site for more detail lighting information
